

Reduce, reuse, recycle

Waste Education Programme for Schools

We deliver **FREE**, fully funded curriculum linked workshops, assemblies & waste audits in your school, to encourage pupils and staff to **REDUCE, REUSE, RECYCLE** (the 3 R's) .

Assemblies

Introducing **Reduce, Reuse, Recycle** to the whole school. (20min)

How can we stop the damage? **Plastic Planet** for KS1/KS2. (20min)

Workshops

Another Fine Mess: start finding out about waste with Mr Fox, and make a recycled instrument to shake along to our recycling song (45min-1hr)

Suitable for: EYFS

Michael Recycle: what can you do to be a recycling superhero? Make your own superhero from scrap materials and help save the earth. (45min-1hr)

Suitable for: EYFS; Years 1/2/3

"The teachers were very impressed and said the children were very excited about their superheroes and could not stop talking about the 3 R's."

Might Be Useful: Stan works at the tip and hates seeing things go to waste – they might be useful! Join in with our reuse band and make something useful of your own. (1hr)

Suitable for: Years 2/3/4

"Many thanks again from all the teaching staff for the fantastic workshops. You'll be pleased to hear the 3R's message is still echoing through our lessons as we embark on our DT project"

Papermaking: become a paper factory and see how easy it is to recycle paper, and save trees! (1hr)

Suitable for: Years 1/2/3 (with extra school helpers) or Years 4/5/6

Recycle Races: how much difference does recycling really make? Find out, and see who are the best recyclers in our run around race.

(45min-1hr)

Suitable for: Years 4/5/6

Plastic Planet: just how big is our problem with plastic? Find out where our plastic waste ends up, how it is affecting our planet and what might happen if we don't reduce it. *(1hr)*

Suitable for: Years 5/6; Eco team

Food Waste Bingo: where does food come from, how does it get to us and why is it bad for it to end up in the rubbish? Let's see what we can do about it? *(45min-1hr)*

Suitable for: Years 4/5/6

Bin Detectives: how much are you really recycling and throwing away? Let's find out! A **full morning** of investigating to see how your school can reduce, reuse and recycle more.

Suitable for: Years 5/6; Eco team

Food Waste Audit: what's going in your bin at lunchtimes? Get your hands dirty and find out how much food is being wasted and look at ways to reduce this. *(Lunchtime session)*

Suitable for: Years 4/5/6 [small group only]; Eco team

"A huge thank you to coming for us and doing the paper making workshop... the children LOVED the workshops and are most definitely thinking more about their waste (and encouraging their parents to do so too!)." Immanuel & St Andrew Primary School, Lambeth

"Many thanks for the great workshop last week! The children all thoroughly enjoyed it and have been reporting back to their parents about how best to reduce, reuse and recycle!" Thomas Jones School, RBKC
