

Reduce, reuse, recycle

Waste Education Programme for Schools

Visit our **Waste Education Centre** and see recycling in action! We run **FREE**, fully funded class trips for up to 30 children at a time.

Visits fully led by our Education Team (lasting 1.5-2.5 hrs).

See what happens to your waste and recycling at our Smugglers Way recycling facility in Wandsworth.

Watch our amazing machines sorting out your recycling, as well as our huge cranes lifting containers of rubbish onto barges on the Thames.

Meet our composting worms and find out about how you can reduce, reuse and recycle as much as possible.

Children can even make their own recycled paper or superhero.

Suitable for ages 4-100!

"I just wanted to write to express my delight at our trip last week to the WRWA Education Centre. The children had a fantastic day, learning lots but also enjoying it immensely. The pacing of the day and mix of activities was great." Bassett House Primary, RBKC

"It was great, thank you very much. Some of the children said that it was their favourite trip ever (and they've been pretty spoiled with trips) so that is a huge achievement." Floreat Primary, Wandsworth
