

# CAN YOU DONATE ANYTHING ON YOUR VAN TO CHARITY?

## HELP US TO REUSE MORE ITEMS

We'd like to encourage residents visiting in vans, and drivers of commercial vehicles, to drop off reusable items at a charity shop close to, or on the way to, the Smugglers Way Waste Facility. The Charity shops listed overleaf can accept furniture, most white goods, small electrical items, books, vinyl and household bric-a-brac. They can also accept bags of clothing and accessories, even if it is not saleable, as they can get money from commercial recyclers.

It's a win-win situation - if you're a business you save money on disposal costs and you help raise vital funds for vulnerable people in the community.

# **LOCAL CHARITIES INVOLVED IN THIS INITIATIVE**

Many charity shops are too small to be able to accept donations of large furniture. We have identified a number of charities that can accept furniture. You will find the locations below. All locations are large enough to accommodate furniture, are located on some of the main roads crossing the borough on the way to Smugglers Way and all have access to loading bays or other safe parking options.

All charity shops involved in this initiative will view items while still on the van to assess whether they are in saleable condition. Items should be clean and largely undamaged. Please do not take it amiss if the charity shop turns certain items down (for example, they are not able to sell sofas without a fire label). You may wish to give the charity a call before you visit to discuss the item you wish to donate.

**THANK YOU FOR HELPING TO KEEP ITEMS OUT OF THE WASTE STREAM  
AND FOR SUPPORTING YOUR LOCAL CHARITY**
