

Your School Trip to Western Riverside Waste Authority (2023 - 2024)

Important information for your visit - please pass on to all teachers visiting

- We can take up to 30 children per visit. The minimum school staff/child ratio is 1:10.
- **Teachers are responsible for the behaviour of pupils at all times.**
It is a busy working site. Please respect the workers and keep noise to a minimum when moving round site and keep to the left to allow them to get past.
- A designated adult **MUST** remain at the back of your group as we move around the site, for health and safety reasons.
- Groups and anyone arriving from the school, including parents, **MUST** be met by WRWA Education staff at the site entrance. There is no visitor parking on site apart from school buses by prior arrangement.
- The visit is suitable for disabled visitors but please let us know the nature of the disability prior to your visit so we can ensure that all visitors' needs are met. **If your group includes a wheelchair user, we must know in advance so that we can provide support for evacuation in case of fire.**
- Please wear High Vis jackets if you have access to them. Otherwise we can provide them.
- A risk assessment of your visit has been completed. If you haven't received it with your booking information please contact us on education@wrwa.gov.uk

Directions and travel information
